Award Letter

September 30, 2024

Dear Marty Corley,

On behalf of Attorney General Merrick B. Garland, it is my pleasure to inform you the Office of Community Oriented Policing Services (the COPS Office) has approved the application submitted by MICHIGAN CITY POLICE for an award under the funding opportunity entitled 2024 FY24 COPS Technology and Equipment Program Invitational Solicitation. The approved award amount is \$180,000.

Review the Award Instrument below carefully and familiarize yourself with all conditions and requirements before accepting your award. The Award Instrument includes the Award Offer (Award Information, Project Information, Financial Information, and Award Conditions) and Award Acceptance. For COPS Office and OVW funding the Award Offer also includes any Other Award Documents.

Please note that award requirements include not only the conditions and limitations set forth in the Award Offer, but also compliance with assurances and certifications that relate to conduct during the period of performance for the award. These requirements encompass financial, administrative, and programmatic matters, as well as other important matters (e.g., specific restrictions on use of funds). Therefore, all key staff should receive the award conditions, the assurances and certifications, and the application as approved by the COPS Office, so that they understand the award requirements. Information on all pertinent award requirements also must be provided to any subrecipient of the award.

Should you accept the award and then fail to comply with an award requirement, DOJ will pursue appropriate remedies for non-compliance, which may include termination of the award and/or a requirement to repay award funds.

Prior to accepting the award, your Entity Administrator must assign a Financial Manager, Grant Award Administrator, and Authorized Representative(s) in the Justice Grants System (JustGrants). The Entity Administrator will need to ensure the assigned Authorized Representative(s) is current and has the legal authority to accept awards and bind the entity to the award terms and conditions. To accept the award, the Authorized Representative(s) must accept all parts of the Award Offer in the Justice Grants System (JustGrants), including by executing the required declaration and certification, within 45 days from the award date.

To access your funds, you will need to enroll in the Automated Standard Application for Payments (ASAP) system, if you haven't already completed the enrollment process in ASAP. The Entity Administrator should have already received an email from ASAP to initiate this process.

Congratulations, and we look forward to working with you.

Office for Civil Rights Notice for All Recipients

The Office for Civil Rights (OCR), Office of Justice Programs (OJP), U.S. Department of Justice (DOJ) enforces federal civil rights laws and other provisions that prohibit discrimination by recipients of federal financial assistance from OJP, the Office of Community Oriented Policing Services (COPS), and the Office on Violence Against Women (OVW).

Several civil rights laws, including Title VI of the Civil Rights Act of 1964 and Section 504 of the Rehabilitation Act of 1973, require recipients of federal financial assistance (recipients) to give assurances that they will comply with those laws. Taken together, these and other civil rights laws prohibit recipients from discriminating in the provision of services and employment because of race, color, national origin, religion, disability, and sex or from discriminating in the provision of services on the bases of age.

Some recipients of DOJ financial assistance have additional obligations to comply with other applicable nondiscrimination provisions like the Omnibus Crime Control and Safe Streets Act of 1968, which prohibits discrimination on the basis of religion in addition to race, color, national origin, and sex. Recipients may also have related requirements regarding the development and implementation of equal employment opportunity programs.

OCR provides technical assistance, training, and other resources to help recipients comply with civil rights obligations. Further, OCR administratively enforces civil rights laws and nondiscrimination provisions by investigating DOJ recipients that are the subject of discrimination complaints. In addition, OCR conducts compliance reviews of DOJ recipients based on regulatory criteria. These investigations and compliance reviews permit OCR to evaluate whether DOJ recipients are providing services to the public and engaging in employment practices in a nondiscriminatory manner.

For more information about OCR, your civil rights and nondiscrimination responsibilities, how to notify your employees or beneficiaries of their civil rights protections and responsibilities and how to file a complaint, as well as technical assistance, training, and other resources, please visit www.ojp.gov/program/civil-rights-office/outreach. If you would like OCR to assist you in fulfilling your civil rights or nondiscrimination responsibilities, please contact us at askOCR@oip.usdoj.gov or www.ojp.gov/program/civil-rights-office/about#ocr-contacts.

Condition 3

Award Monitoring Activities: Federal law requires that recipients receiving federal funding from the COPS Office must be monitored to ensure compliance with their award conditions and other applicable statutes and regulations. The COPS Office is also interested in tracking the progress of our programs and the advancement of community policing. Both aspects of award implementation—compliance and programmatic benefits—are part of the monitoring process coordinated by the U.S. Department of Justice. Award monitoring activities conducted by the COPS Office include site visits, enhanced office-based grant reviews, alleged noncompliance reviews, financial and programmatic reporting, and audit resolution. As a COPS Office award recipient, you agree to cooperate with and respond to any requests for information pertaining to your award. This includes all financial records, such as general accounting ledgers and all supporting documents. All information pertinent to the implementation of the award is subject to agency review throughout the life of the award, during the close-out process and for three-years after the submission of the final expenditure report. 2 C.F.R. §§ 200.334 and 200.337, and, as applicable, 34 U.S.C. § 10385(a).

Condition 4

Authorized Representative Responsibility: The recipient understands that, in accepting this award, the Authorized Representatives declare and certify, among other things, that they possess the requisite legal authority to accept the award on behalf of the recipient entity and, in so doing, accept (or adopt) all material requirements throughout the period of performance under this award. The recipient further understands, and agrees, that it will not assign anyone to the role of Authorized Representative during the period of performance under the award without first ensuring that the individual has the requisite legal authority.

Condition 5

Contract Provision: All contracts made by the award recipients under the federal award must contain the provisions required under 2 C.F.R. Part 200, Appendix II to Part 200—Contract Provisions for Non-Federal Entity Contracts Under Federal Awards. Please see appendices in the Award Owner's Manual for a full text of the contract provisions.

Condition 6

Part 31 (FAR Part 31) as applicable (Contract Cost Principles and Procedures); the Cooperative Agreement as applicable; representations made in the application; and all other applicable program requirements, laws, orders, regulations, or circulars.

Failure to comply with one or more award requirements may result in remedial action including, but not limited to, withholding award funds, disallowing costs, suspending, or terminating the award, or other legal action as appropriate.

Should any provision of an award condition be deemed invalid or unenforceable by its terms, that provision will be applied to give it the maximum effect permitted by law. Should the provision be deemed invalid or unenforceable in its entirety, such provision will be severed from this award.

Condition 10

Recipient Integrity and Performance Matters: For awards over \$500,000, the recipient agrees to comply with the following requirements of 2 C.F.R. Part 200, Appendix XII to Part 200 – Award Term and Condition for Recipient Integrity and Performance Matters:

I. Reporting of Matters Related to Recipient Integrity and Performance

(a) General Reporting Requirement.

(1) If the total value of your active grants, cooperative agreements, and procurement contracts from all Federal agencies exceeds \$10,000,000 for any period of time during the period of performance of this Federal award, then you as the recipient must ensure the information available in the responsibility/qualification records through the System for Award Management (SAM.gov), about civil, criminal, or administrative proceedings described in paragraph (b) of this award term is current and complete. This is a statutory requirement under section 872 of Public Law 110-417, as amended (41 U.S.C. 2313). As required by section 3010 of Public Law 111-212, all information posted in responsibility/qualification records in SAM.gov on or after April 15, 2011 (except past performance reviews required for Federal procurement contracts) will be publicly available.

(b) Proceedings About Which You Must Report.

(1) You must submit the required information about each proceeding that—

(i) is in connection with the award or performance of a grant, cooperative agreement, or procurement contract from the Federal Government;

(ii) Reached its final disposition during the most recent five-year period; and

(iii) Is one of the following—

(A) A criminal proceeding that resulted in a conviction;

(B) A civil proceeding that resulted in a finding of fault and liability and payment of a monetary fine, penalty, reimbursement, restitution, or damages of \$5,000 or more;

(C) An administrative proceeding that resulted in a finding of fault and liability and your payment of either a monetary fine or penalty of \$5,000 or more or reimbursement, restitution, or damages in excess of \$100,000; or

(D) Any other criminal, civil, or administrative proceeding if—

(1) It could have led to an outcome described in paragraph (b)(1)(iii)(A) through (C);

(2) It had a different disposition arrived at by consent or compromise with an acknowledgment of fault on your part; and

(3) The requirement in this award term to disclose information about the proceeding does not conflict with applicable laws and regulations.

(c) **Reporting Procedures.** Enter the required information in SAM.gov for each proceeding described in paragraph (b) of this award term. You do not need to submit the information a second time under grants and cooperative agreements that you received if you already provided the information in SAM.gov because you were required to do so under Federal procurement contracts that you were awarded.

(d) **Reporting Frequency.** During any period of time when you are subject to the requirement in paragraph (a) of this award term, you must report proceedings information in SAM.gov for the most recent five-year period, either to report new information about a proceeding that you have not reported previously or affirm that there is no new information to report. If you have Federal contract, grant, and cooperative agreement awards with a cumulative total value greater than \$10,000,000, you must disclose semiannually any information about the criminal, civil, and administrative

proceedings.

(e) Definitions. For purposes of this award term—

Administrative proceeding means a nonjudicial process that is adjudicatory in nature to make a determination of fault or liability (for example, Securities and Exchange Commission Administrative proceedings, Civilian Board of Contract Appeals proceedings, and Armed Services Board of Contract Appeals proceedings). This includes proceedings at the Federal and State level but only in connection with the performance of a Federal contract or grant. It does not include audits, site visits, corrective plans, or inspection of deliverables.

Conviction means a judgment or conviction of a criminal offense by any court of competent jurisdiction, whether entered upon a verdict or a plea, and includes a conviction entered upon a plea of nolo contendere. Total value of currently active grants, cooperative agreements, and procurement contracts includes the value of the Federal share already received plus any anticipated Federal share under those awards (such as continuation funding).

Condition 27

Buy America Preference

Recipients of an award of Federal financial assistance for the construction, alteration, maintenance, or repair of infrastructure are hereby notified that none of the funds provided under this award may be used for an infrastructure project unless:

(1) All iron and steel used in the project are produced in the United States—this means all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States;

(2) All manufactured products used in the project are produced in the United States—this means the manufactured product was manufactured in the United States; and the cost of the components of the manufactured product that are mined, produced, or manufactured in the United States is greater than 55 percent of the total cost of all components of the manufactured product, unless another standard that meets or exceeds this standard has been established under applicable law or regulation for determining the minimum amount of domestic content of the manufactured product; and

(3) All construction materials are manufactured in the United States—this means that all manufacturing processes for the construction material occurred in the United States. The construction material standards are listed below.

Incorporation into an infrastructure project. The Buy America Preference only applies to articles, materials, and supplies that are consumed in, incorporated into, or affixed to an infrastructure project. As such, it does not apply to tools, equipment, and supplies, such as temporary scaffolding, brought to the construction site and removed at or before the completion of the infrastructure project. Nor does a Buy America Preference apply to equipment and furnishings, such as movable chairs, desks, and portable computer equipment, that are used at or within the finished infrastructure project but are not an integral part of the structure or permanently affixed to the infrastructure project.

Categorization of articles, materials, and supplies. An article, material, or supply should only be classified into one of the following categories: (i) Iron or steel products; (ii) Manufactured products; (iii) Construction materials; or (iv) Section 70917(c) materials. An article, material, or supply should not be considered to fall into multiple categories. In some cases, an article, material, or supply may not fall under any of the categories listed in this paragraph. The classification of an article, material, or supply as falling into one of the categories listed in this paragraph must be made based on its status at the time it is brought to the work site for incorporation into an infrastructure project. In general, the work site is the location of the infrastructure project at which the iron, steel, manufactured products, and construction materials will be incorporated.

Application of the Buy America Preference by category. An article, material, or supply incorporated into an infrastructure project must meet the Buy America Preference for only the single category in which it is classified.

Determining the cost of components for manufactured products. In determining whether the cost of components for manufactured products is greater than 55 percent of the total cost of all components, use the following instructions:

(a) For components purchased by the manufacturer, the acquisition cost, including transportation costs to the place of incorporation into the manufactured product (whether or not such costs are paid to a domestic firm), and any applicable duty (whether or not a duty-free entry certificate is issued); or

(b) For components manufactured by the manufacturer, all costs associated with the manufacture of the component, including transportation costs as described in paragraph (a), plus allocable overhead costs, but excluding profit. Cost of components does not include any costs associated with the manufacture of the manufactured product.

Construction material standards. The Buy America Preference applies to the following construction materials incorporated into infrastructure projects. Each construction material is followed by a standard for the material to be considered "produced in the United States." Except as specifically provided, only a single standard should be applied to a single construction material.

(1) Non-ferrous metals. All manufacturing processes, from initial smelting or melting through final shaping, coating, and assembly, occurred in the United States.

(2) Plastic and polymer-based products. All manufacturing processes, from initial combination of constituent plastic or polymer-based inputs, or, where applicable, constituent composite materials, until the item is in its final form, occurred in the United States.

(3) Glass. All manufacturing processes, from initial batching and melting of raw materials through annealing, cooling, and cutting, occurred in the United States.

(4) Fiber optic cable (including drop cable). All manufacturing processes, from the initial ribboning (if applicable), through buffering, fiber stranding and jacketing, occurred in the United States. All manufacturing processes also include the standards for glass and optical fiber, but not for non-ferrous metals, plastic and polymer-based products, or

any others.

(5) Optical fiber. All manufacturing processes, from the initial preform fabrication stage through the completion of the draw, occurred in the United States.

(6) Lumber. All manufacturing processes, from initial debarking through treatment and planing, occurred in the United States.

(7) Drywall. All manufacturing processes, from initial blending of mined or synthetic gypsum plaster and additives through cutting and drying of sandwiched panels, occurred in the United States.

(8) Engineered wood. All manufacturing processes from the initial combination of constituent materials until the wood product is in its final form, occurred in the United States.

Waivers.

When necessary, recipients may apply for, and the Office of Community Oriented Policing Services (COPS Office) may grant, a waiver from these requirements.

The COPS Office may waive the application of the Buy America Preference when it has determined that one of the following exceptions applies:

- (1) applying the Buy America Preference would be inconsistent with the public interest;
- (2) the types of iron, steel, manufactured products, or construction materials are not produced in the United States in sufficient and reasonably available quantities or of a satisfactory quality; or
- (3) the inclusion of iron, steel, manufactured products, or construction materials produced in the United States will increase the cost of the overall project by more than 25 percent.

A request to waive the application of the Buy America Preference must be in writing. If requested, the COPS Office will provide instructions on the format, contents, and supporting materials required for any waiver request. Waiver requests are subject to public comment periods of no less than 15 days and must be reviewed by the Made in America Office.

Recipients do not need to obtain a waiver of the Buy America Preference requirements from the COPS Office if they will use only iron, steel, manufactured products, and construction materials that meet the criteria as specified above for the project.

If a recipient determines a waiver is necessary, an application for a waiver should be submitted as soon as possible and provide detailed information to expedite the COPS Office's review. Recipients agree not to obligate, expend or draw down funds for infrastructure projects or activities unless they comply with the Buy America Preference requirements or request and obtain a waiver of the requirements from the COPS Office.

If you have any questions about this requirement or requesting a waiver of the requirement, please contact your COPS Office Program Manager at 800-421-6770.

Condition 28

Domestic preferences for procurements: Recipient agrees that it, and its subrecipients, to the greatest extent practicable, will provide a preference for the purchase, acquisition, or use of goods, products, and materials produced in, and services offered in, the United States. 2. C.F.R. § 200.322 and Executive Order 14005, Ensuring the Future is Made in All of America by All of America's Workers, January 25, 2021.

Condition 29

Requirement to report actual or imminent breach of personally identifiable information (PII).

The recipient (and any subrecipient at any tier) must have written procedures in place to respond in the event of an actual or imminent breach (as defined in OMB M-17-12) if it (or a subrecipient)— 1) creates, collects, uses, processes, stores, maintains, disseminates, discloses, or disposes of personally identifiable information (PII) (as defined in 2 C.F.R. 200.1) within the scope of a COPS Office grant-funded program or activity, or 2) uses or operates a Federal information system (as defined in OMB Circular A-130). The recipient's breach procedures must include a requirement to report actual or imminent breach of PII to the recipient's COPS Office Program Manager no later than 24 hours after

an occurrence of an actual breach, or the detection of an imminent breach.

Condition 30

Community Policing: Community policing activities to be initiated or enhanced by your agency were identified and described in your award application. All equipment, technology, training, and civilian positions awarded under your agency's COPS Office award must be linked to the implementation or enhancement of community policing. 34 U.S.C. § 10382 (c)(10).

Condition 31

Compliance with National Environmental Policy Act and related statutes: Upon request, the recipient must assist the COPS Office in complying with the National Environmental Policy Act (NEPA), the National Historic Preservation Act, and other related federal environmental impact analyses requirements in the use of these award funds. Accordingly, the recipient agrees to determine if new construction or renovation or remodeling of a property will be funded by the grant, and if so, agrees to comply with all NEPA requirements prior to obligating, expending, or drawing down award funds for any award purposes. The recipient understands and agrees that complying with NEPA may require the preparation of an environmental study, including an Environmental Assessment (EA) and/or an Environmental Impact Statement (EIS), as directed by the COPS Office. The NEPA compliance process may take several months to complete. 42 U.S.C. §§ 4321 et seq.

Condition 32

Travel Costs: Travel costs for transportation, lodging and subsistence, and related items are allowable with prior approval from the COPS Office. Payment for allowable travel costs will be in accordance with 2 C.F.R. § 200.475.

Condition 33

The Paperwork Reduction Act Clearance and Privacy Act Review: Recipient agrees, if required, to submit all surveys, interview protocols, and other information collections to the COPS Office for submission to the Office of Management and Budget (OMB) for clearance under the Paperwork Reduction Act (PRA). Before submission to OMB, all information collections that request personally identifiable information must be reviewed by the COPS Office to ensure compliance with the Privacy Act. The Privacy Act compliance review and the PRA clearance process may take several months to complete. 44 U.S.C. §§ 3501-3520 and 5 U.S.C. § 552a.

Condition 34

Evaluations: The COPS Office may conduct monitoring or sponsor national evaluations of its award programs. The recipient agrees to cooperate with the monitors and evaluators. 34 U.S.C. § 10385(b).

Condition 35

Extensions: Recipients may request an extension of the award period to receive additional time to implement their award program. Such extensions do not provide additional funding. Only those recipients that can provide a reasonable justification for delays will be granted no-cost extensions. Extension requests must be received prior to the end date of the award. 2 C.F.R. §§ 200.308(f)(10) and 200.309.

Condition 36

Supplementing, not Supplanting: State, local, and tribal government recipients must use award funds to supplement, and not supplant, state, local, or Bureau of Indian Affairs (BIA) funds that are already committed or otherwise would have been committed for award purposes (hiring, training, purchases, and/or activities) during the award period. In other words, state, local, and tribal government recipients may not use COPS Office funds to supplant (replace) state, local, or BIA funds that would have been dedicated to the COPS Office-funded item(s) in the absence of the COPS Office award. 34 U.S.C. § 10384(a).

Condition 37

Modifications: Award modifications are evaluated on a case-by-case basis in accordance with 2 C.F.R. § 200.308(i). For federal awards in excess of \$250,000, any modification request involving the reallocation of funding between budget categories that exceed or are expected to exceed 10 percent (10%) of the total approved budget requires prior written approval by the COPS Office. Regardless of the federal award amount or budget modification percentage, any reallocation of funding is limited to approved budget categories. In addition, any budget modification that changes the

scope of the project requires prior written approval by the COPS Office.

Condition 38

State Information Technology Point of Contact: The recipient agrees to ensure that the appropriate State Information Technology Point of Contact receives written notification regarding any technology or information-sharing project funded by this award during the obligation and expenditure period. This is to facilitate communication among local and state governmental entities regarding various information technology projects being conducted with these award funds. In addition, the recipient agrees to maintain an administrative file documenting the meeting of this requirement. For a list of State Information Technology Points of Contact, go to <https://it.ojp.gov/technology-contacts>.

Condition 39

Computer Network Requirement: The recipient understands and agrees that no award funds may be used to maintain or establish a computer network unless such network blocks the viewing, downloading, and exchanging of pornography. Nothing in this requirement limits the use of funds necessary for any federal, state, tribal, or local law enforcement agency or any other entity carrying out criminal investigations, prosecution, or adjudication activities. Consolidated Appropriations Act, 2024, Public Law 118-42, Division C, Title V, Section 527.

Condition 40

Contracts and/or MOUs with Other Jurisdictions: Items funded under this award must only be used for law enforcement activities or services that benefit your agency and the population that it serves and cannot be utilized by other agencies unless the items benefit the population that your agency serves.
